Natural Gas Industry Representative Discusses the U.S. Energy Policy's Challenges and Opportunities

How many of you think about how we get energy?

The question, posed by Lori Traweek, chief operating officer of American Gas Association, to an audience of students, faculty, staff, alumni and visitors in the Babbio Auditorium at Stevens Institute of Technology, was the core of "America's Energy Policy: The Challenges of Meeting the Demand," a one-hour discussion presented by the Provost's Lecture Series on Women in Leadership.

Energy is fundamental to our quality of life, essential to the world's economy, and critical to...[Read more.](#)

## A conversation with Michael Andreano '96

### ***What do you do professionally?***

I'm an Information Security Manager at inVentiv Health in Somerset, NJ. In my current role, I am responsible for identifying the ever-changing landscape of security threats and their risk and potential impact to our company's data and information systems. I'm constantly reading and learning about how these threats evolve, how they happen, and what technical and process controls we have or can put in place to help prevent them.

### ***What part of your job do you most enjoy?***

My job is ever-changing along with the dynamic computing environment. In the evolving eco-system of computing that is now made up of ... [Read more.](#)

## Alumni Benefits Spotlight

### Stevens Alumni Association Legacy Term Scholarship

Do you have a child or grandchild who is a current student at Stevens? The Stevens Alumni Association invites legacy students to apply for the Stevens Alumni Association Legacy Term Scholarship, which is awarded annually to eligible, full-time undergraduate students with either a parent or grandparent who received a degree at Stevens. For more information, please [download an application](#). All applications are to be returned by e-mail to [alumni@stevens.edu](mailto:alumni@stevens.edu) or to the Office of Alumni Relations, located on the ninth floor of the Howe Center. Applications must be received no later than May 9 to be considered.

## We Are On The Move

Over the summer, the Alumni Office will move to the 8th floor of the Howe Center (just one floor below where we are now). When the new academic year starts, make sure to stop by to see our new welcoming environment for alumni and the Stevens Alumni Association.
