Stevens Class of 2015 Continues Trend of Stellar Career and Salary Outcomes  
*Energy Exec Leads Company's Global Push for Solar*

The Stevens Career Center has released its outcomes report for the Class of 2015, and it shows once again the tremendous value of a Stevens degree in launching lucrative careers and admission to highly-selective graduate programs. The first destination information reported by the Class of 2015, together with Stevens' ranking by PayScale (3rd in the 2015 College ROI Report and 10th in the 2015-16 Report for Mid-Career Salaries) adds to a stellar record by Stevens as a leader in preparing students for post-grad success.

According to the Class of 2015 Career Outcomes Report... [Read more.](#)

## A conversation with...Suzanne D'Addio '07

### ***What do you do professionally?***

I'm currently employed by Merck & Co. as an Associate Principle Scientist. As a lead formulator, my major responsibilities include the identification of robust formulations of novel therapeutics, the development of processes to manufacture them, and the technology transfer to manufacturing facilities. Inherent to the success of these activities is effective, cross-functional teamwork. A majority of my time is spent collaboratively planning and executing experiments to advance projects....[Read more.](#)

# SU+RE HOUSE

The team from Stevens Institute of Technology – inspired by Hurricane Sandy to design and create a net-zero home resilient enough to withstand Hurricane-force winds and flooding – won top honors at the U.S. Department of Energy Solar Decathlon 2015 at Orange County Great Park in Irvine, California.

In recognition of this great achievement and to help provide for the future of the home, Stevens is offering a limited-time opportunity. Starting today, until supplies run out, you may purchase an exclusive SURE HOUSE t-shirt for just \$25. All proceeds from the sale will directly support the SURE HOUSE team. Purchasers of this t-shirt will receive a charitable tax receipt in the mail for their donation, minus the fair-market-value of the shirt, which is \$10. [Click here](#) to order a t-shirt.

## Calling all Entrepreneurs!

Want to help a professor with her research? Dr. Vartuhi Tonoyan, Assistant Professor at the School of Business, is asking entrepreneurs to take a short, anonymous survey for a research publication. If interested, please [click here to take the survey](#). Thank you!

## Alumni Benefits Spotlight

### Stevens Shuttle

Stevens extends Blue Line Shuttle service to alumni! The route runs from the Hoboken Terminal/PATH to Stevens' campus, operating Monday to Friday at various times. The shuttle stops at 1st and River, 4th and River, the Howe Center and the Babbio Center. Click [here](#) for the schedule, and track the shuttle in real time at [stevens.transloc.com](http://stevens.transloc.com) or by downloading the free TransLoc Rider app from the app store!
