## Alumni Benefits Spotlight

### Alumni Email Account

The Stevens Alumni Association is pleased to offer an alumni email account through Google. Each address is in the form of “name@alumni.stevens.edu,” and operates like most Google email accounts. Alumni can create an account by contacting the Office of Alumni Engagement at [alumni@stevens.edu](mailto:alumni@stevens.edu). Please note, creating an alumni.stevens email will not allow individuals to continue receiving or sending email through their student account, and it will not allow you to view or access any data that was previously stored on your student account after these addresses have expired.
