A conversation with...Dean Kelland Thomas

Are you or were you a student here? If so, undergraduate or graduate? If not, where did you go to school? What did you study?

I was not a student here at Stevens. I received my undergraduate degree in Music Performance from Michigan State University. My Doctor of Musical Arts degree was in Saxophone Performance, from the University of Michigan. I also have a Master of Music in Music Theory from the University of Michigan.

Do you or did you work here? If so, in what capacity? For how long?

I have worked at Stevens Institute of Technology since June 1, 2016. I joined as Dean of the College of Arts and Letters.
