

Making Headlines

Stevens graduates enjoy some of the highest returns on tuition investment and career earnings in the nation: in the top 5 among all U.S. universities, according to several recent salary surveys.

A conversation with...Leah Loscutoff

Are you or were you a student here? If so, undergraduate or graduate? If not, where did you go to school? What did you study?

I didn't go to Stevens. I went to San Francisco State University and studied American History (B.A. in History). I went to San Jose State University for my Master's in Library and Information Science (MLIS).

Do you or did you work here? If so, in what capacity? For how long?

I work at Stevens. My position is Head of Archives and Special Collections. I've worked at Stevens for four years.

Because you gave...Albab Ali '16

Albab Ali, a 2016 graduate, earned a Bachelor's degree in Electrical Engineering and a Master's in Computer Science. He received the Joseph Pignone Endowed Scholarship, the Torrance Stevens Endowed Scholarship, and the Class of 1957 Endowed Scholarship, and he was on the Dean's List for nearly every semester.
