Accepted File Format: PDF-X 1/a:2001 or PDF-X/2003

PRODUCTION REMINDERS

- PDF files must contain only 4-color process images (CMYK). Stevens can not be responsible for PDF files prepared incorrectly.
- All images included in art should be final, color-corrected, high-resolution (300 dpi) CMYK files. Hi-res images should not be scaled more than 115% to maintain image quality.
- When scanning logos, please use 1200 dpi for bitmap and 300 dpi for color at 100% of final size.
- Black text and lines should be set to print at 100K.
- Two-page spread art should be prepared as two individual pages.
- Camera-ready submissions in non-pdf format can not be accepted and will need to be resubmitted or recreated.
- All camera-ready art should be suitable to print "as is". Stevens can not be responsible for any errors in content.

FREE DESIGN SERVICE
