

Our Mission

In an effort to aid the Stevens Wrestling program as we continue in our pursuit in excellence on and off the mat, the Stevens Wrestling Golf Outing was born!

As one of the premier wrestling teams in the nation, the Ducks have set themselves apart from their competition, being the only team in the country to couple academic and athletics at the highest levels.

All proceeds from this event will go toward the program and it's hunt for the top of the podium on and off the mats.
